Title : Empower Her

Description : EmpowerHer is a women-focused platform designed to empower women through skill development, business guidance, financial literacy, and access to government schemes. It provides learning resources, opportunities to showcase and sell products, useful notifications, and community testimonials, helping women gain knowledge, build confidence, and become more financially independent.

Page 1 – Home Page

The **Home Page** is the main landing page of the EmpowerHer website. It introduces the platform and its main purpose of empowering rural women through skills and opportunities.

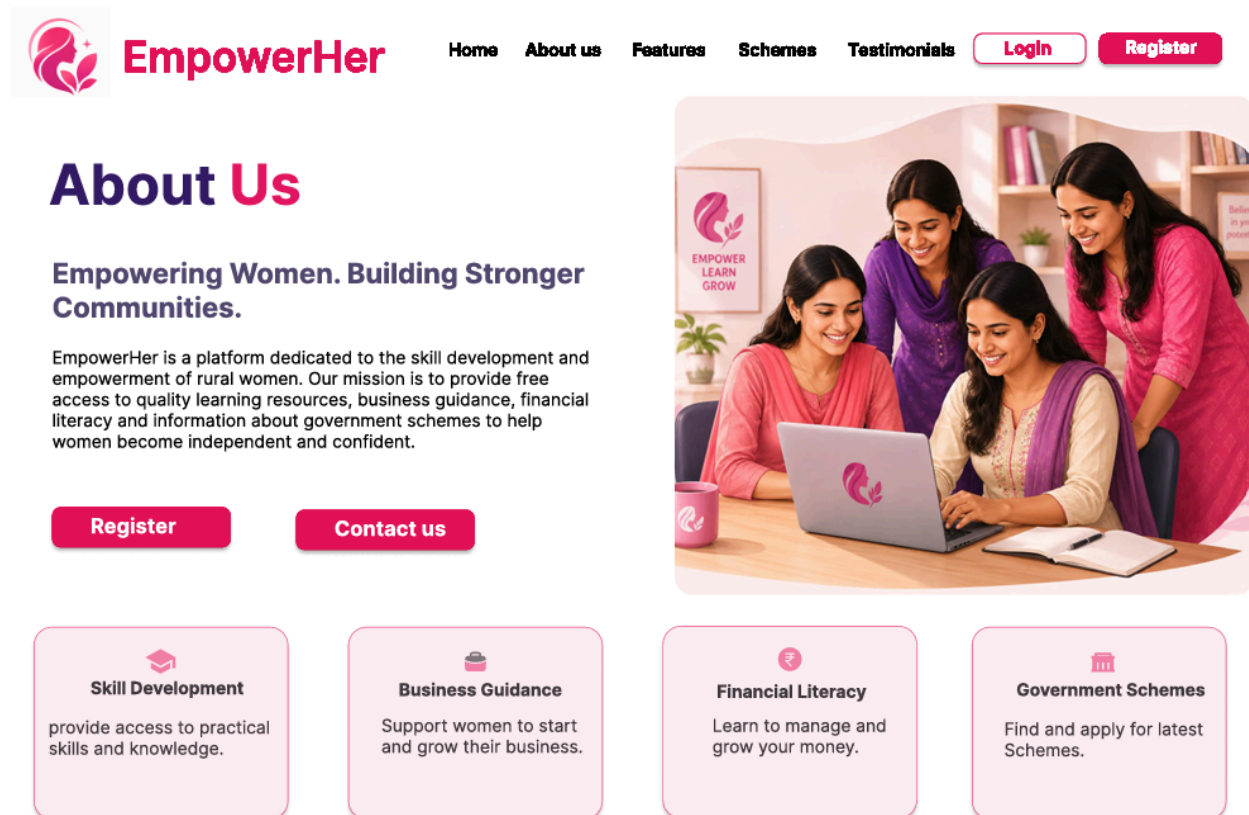

The page provides a short introduction explaining that women can learn new skills, grow their businesses, improve financial literacy, and explore government schemes in one place.

It includes the following main sections and features:

- **Navigation Bar:** Home, About Us, Features, Schemes, Testimonials, Login and Register.
- **Hero Section:** Displays the main message, “*Empowering Rural Women Through Skills & Opportunities*”, along with an illustration related to women's learning and empowerment.
- **Get Started Button:** Helps users begin using the platform.
- **Learn More Button:** Provides access to additional information about EmpowerHer.
- **Skill Development:** Provides learning opportunities related to computers, crafts, marketing and other skills.
- **Product Showcase:** Allows women to showcase and sell their handmade products online.
- **Government Schemes:** Helps users find and explore relevant government schemes.
- **Financial Literacy:** Provides resources to learn about managing and growing money.

Purpose: The Home Page gives users an overview of the EmpowerHer platform and provides quick access to its major features.

Page 2 – About Us Page

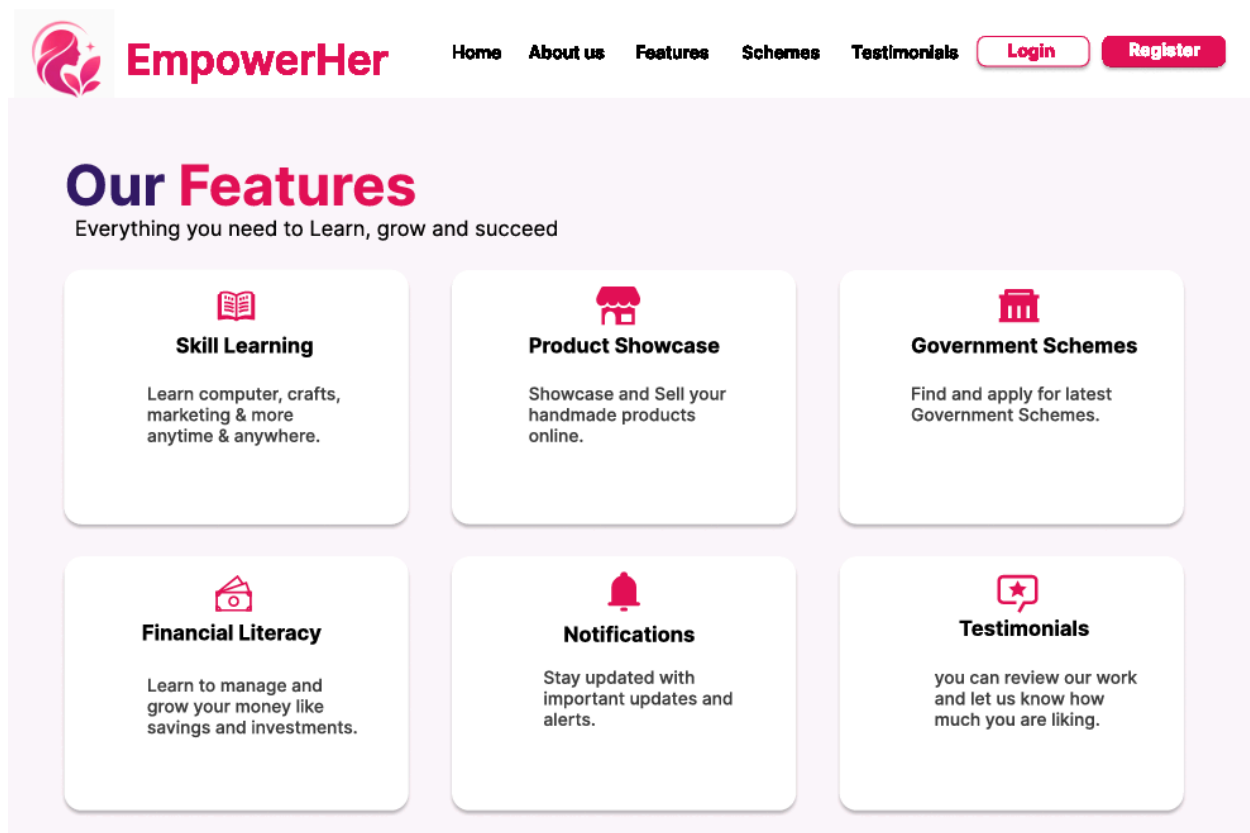

The **About Us Page** provides information about the **EmpowerHer** platform and explains its mission of empowering rural women and building stronger communities.

The page contains the following main sections and features:

- **Navigation Bar:** Provides links to Home, About Us, Features, Schemes, Testimonials, Login and Register.
- **About Us Section:** Introduces EmpowerHer as a platform focused on the skill development and empowerment of rural women.
- **Mission Description:** Explains that the platform provides access to learning resources, business guidance, financial literacy and information about government schemes.
- **Register Button:** Allows new users to create an account and join the platform.
- **Contact Us Button:** Provides users with an option to contact the organization.
- **Image Section:** Displays an image representing women learning and working together.
- **Skill Development:** Provides access to practical skills and knowledge.
- **Business Guidance:** Supports women in starting and growing their businesses.
- **Financial Literacy:** Helps women learn how to manage and grow their money.
- **Government Schemes:** Helps users find and apply for relevant government schemes.

Page 3 – Features Page

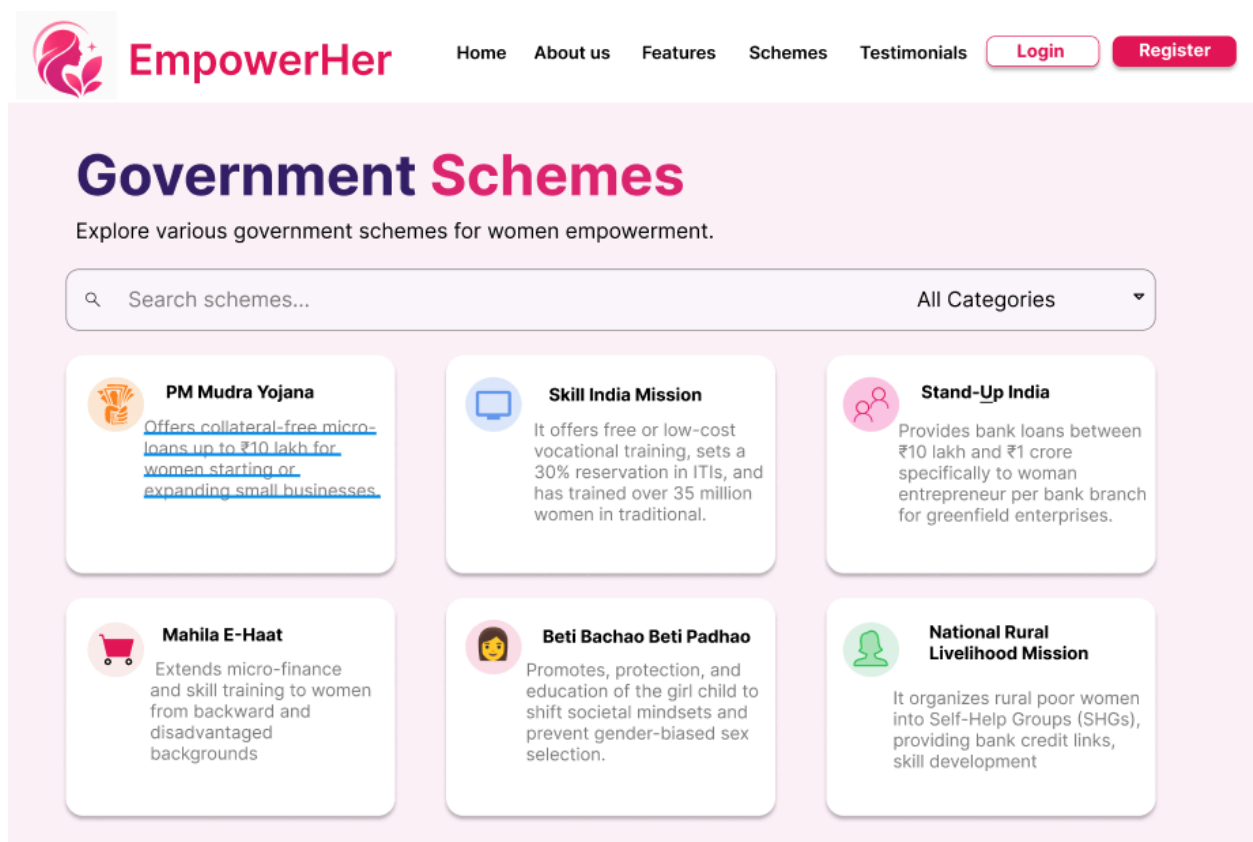

The **Features Page** provides an overview of the main features available on the **EmpowerHer** platform. It explains how the platform helps women to learn, grow and succeed.

The page contains the following main features:

- **Skill Learning:** Provides learning resources for computers, crafts, marketing and other useful skills.
- **Product Showcase:** Allows women to showcase and sell their handmade products online.
- **Government Schemes:** Helps users find and apply for the latest government schemes.
- **Financial Literacy:** Provides information about managing and growing money, including savings and investments.
- **Notifications:** Keeps users updated with important updates and alerts.
- **Testimonials:** Allows users to review the work of EmpowerHer and provide feedback.

Purpose: The Features Page gives users a clear overview of the different services and facilities provided by the EmpowerHer platform.

Page 4 – Government Schemes Page

The screenshot shows the 'EmpowerHer' website's 'Government Schemes' page. The header includes the EmpowerHer logo, navigation links (Home, About us, Features, Schemes, Testimonials), and 'Login' and 'Register' buttons. The main heading is 'Government Schemes' with the subtitle 'Explore various government schemes for women empowerment.' Below this is a search bar and a category dropdown. The page displays six government schemes in a grid:

- PM Mudra Yojana**: Offers collateral-free micro-loans up to ₹10 lakh for women starting or expanding small businesses.
- Skill India Mission**: It offers free or low-cost vocational training, sets a 30% reservation in ITIs, and has trained over 35 million women in traditional.
- Stand-Up India**: Provides bank loans between ₹10 lakh and ₹1 crore specifically to woman entrepreneur per bank branch for greenfield enterprises.
- Mahila E-Haat**: Extends micro-finance and skill training to women from backward and disadvantaged backgrounds.
- Beti Bachao Beti Padhao**: Promotes, protection, and education of the girl child to shift societal mindsets and prevent gender-biased sex selection.
- National Rural Livelihood Mission**: It organizes rural poor women into Self-Help Groups (SHGs), providing bank credit links, skill development.

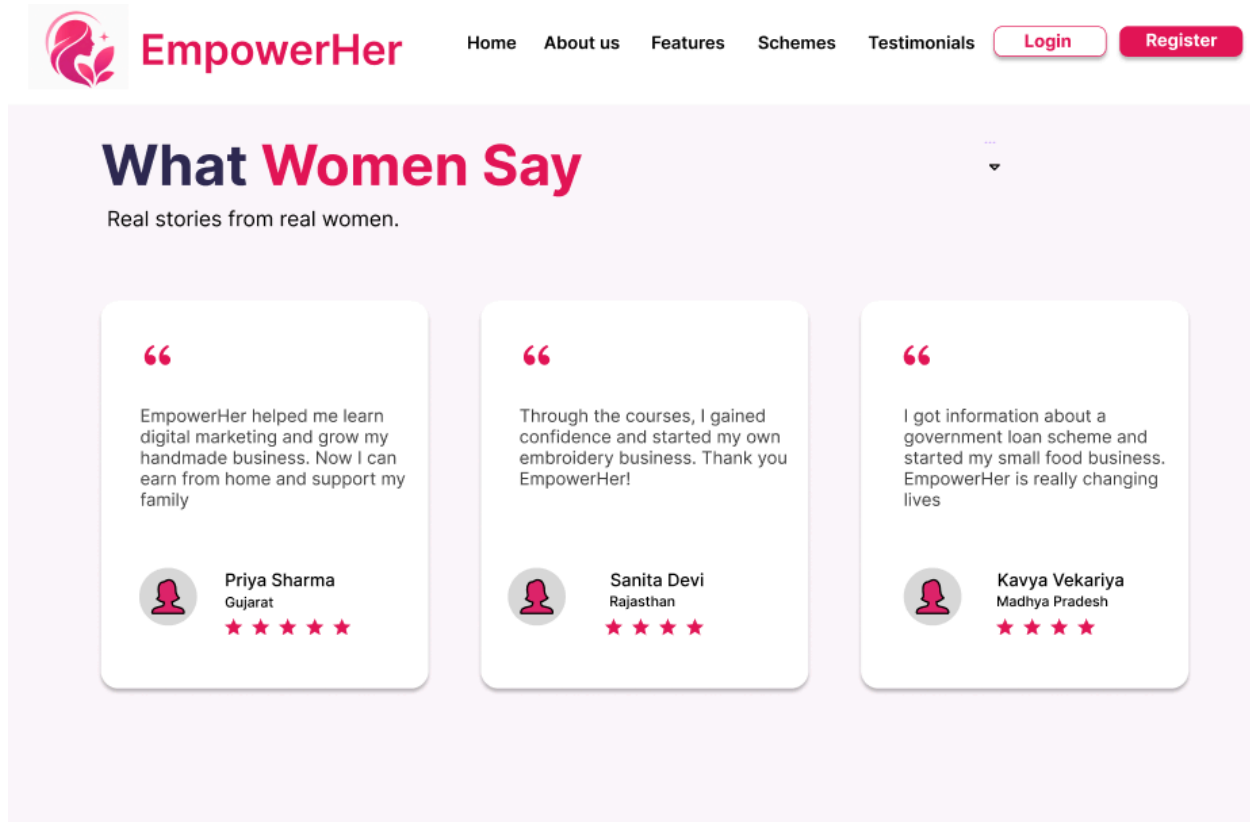

The **Government Schemes Page** provides users with information about various government schemes related to **women empowerment**. It helps users explore available schemes and find opportunities that may support their education, skills, employment and business activities.

The page contains the following features:

- **Search Bar:** Allows users to search for specific government schemes.
- **Category Filter:** Helps users filter schemes according to different categories.
- **PM Mudra Yojana:** Provides information about micro-loans for women starting or expanding small businesses.
- **Skill India Mission:** Provides information about free or low-cost vocational training and skill development.
- **Stand-Up India:** Provides information about loans for women entrepreneurs and new businesses.
- **Mahila E-Haat:** Provides microfinance and skill-training related support for women from disadvantaged backgrounds.
- **Beti Bachao Beti Padhao:** Provides information focused on the protection and education of the girl child.
- **National Rural Livelihood Mission:** Organizes rural women into Self-Help Groups and provides support such as credit links and skill development.

Purpose: The Government Schemes Page makes it easier for women to discover relevant government schemes and understand the opportunities available to them.

Page 5 – Testimonials Page

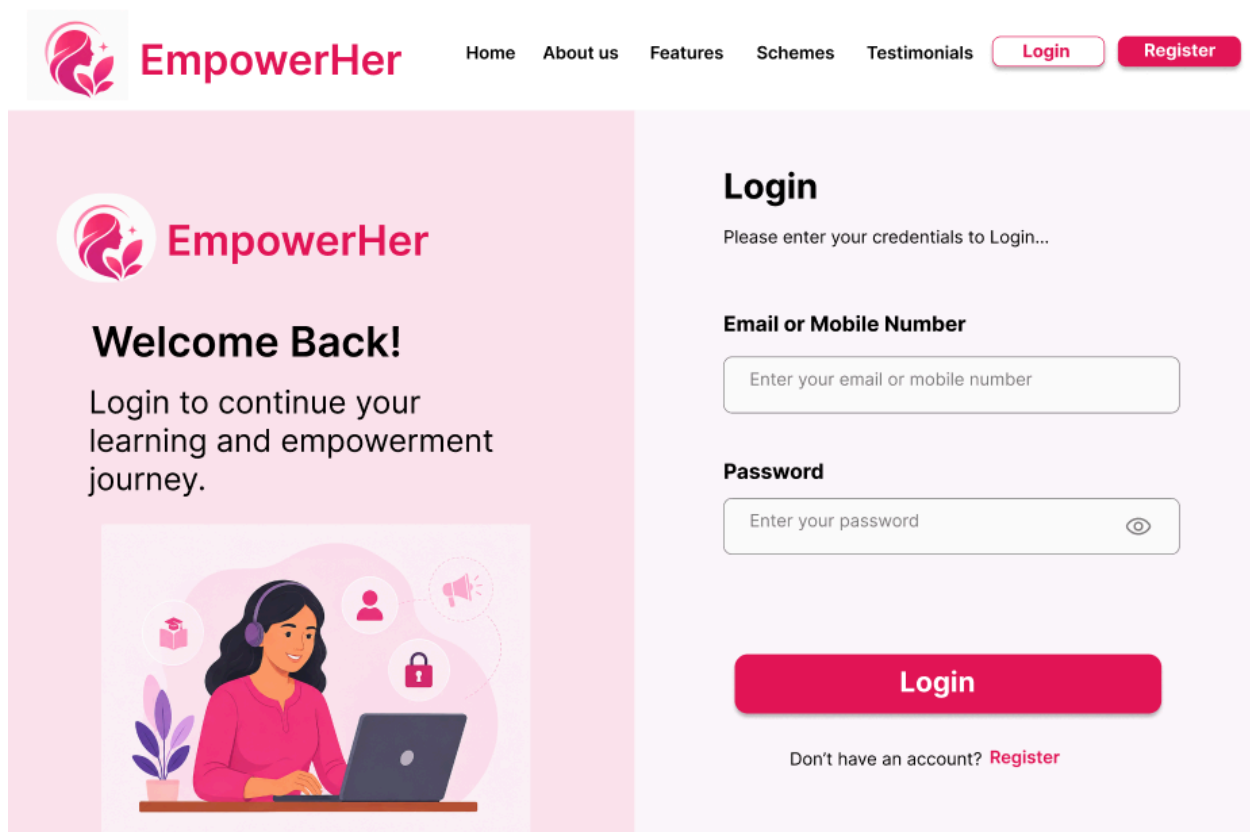

The **Testimonials Page** displays feedback and experiences shared by women who have used the **EmpowerHer** platform. It presents real user stories to show how the platform has helped women in different areas.

The page contains the following features:

- **Testimonials Heading:** Introduces the section with the title “What Women Say” and the subtitle “Real stories from real women.”
- **Testimonial Cards:** Each card contains a user's feedback about their experience with EmpowerHer.
- **Priya Sharma – Gujarat:** Shares her experience of learning digital marketing, growing her handmade business and earning from home.
- **Sanita Devi – Rajasthan:** Shares how the courses helped her gain confidence and start her own embroidery business.
- **Kavya Vekariya – Madhya Pradesh:** Shares her experience of finding information about a government loan scheme and starting a small food business.
- **Ratings:** Each testimonial includes a star rating to represent the user's feedback.

Purpose: The Testimonials Page builds trust in the EmpowerHer platform by presenting user experiences and feedback from women who have benefited from its services.

Page 6 – Login Page

The screenshot displays the EmpowerHer login interface. At the top, a navigation bar includes the EmpowerHer logo, a list of menu items (Home, About us, Features, Schemes, Testimonials), and two buttons: 'Login' and 'Register'. The main content area is split into two columns. The left column, with a pink background, features the EmpowerHer logo, the heading 'Welcome Back!', and the text 'Login to continue your learning and empowerment journey.' Below this is an illustration of a woman wearing a headset and working on a laptop, surrounded by icons representing a gift, a user profile, a megaphone, and a lock. The right column, with a light purple background, is titled 'Login' and contains the instruction 'Please enter your credentials to Login...'. It features two input fields: 'Email or Mobile Number' and 'Password', each with a placeholder text. A red 'Login' button is positioned below the password field. At the bottom of the right column, there is a link that says 'Don't have an account? Register'.

The **Login Page** allows registered users to securely access their **EmpowerHer account**. It provides a simple login form along with a welcome section that introduces the purpose of the platform.

The page contains the following features:

- **Welcome Section:** Displays a welcome message and explains that users can log in to continue their learning and empowerment journey.
- **Email or Mobile Number:** Allows users to enter their registered email address or mobile number.
- **Password:** Allows users to enter their account password. An eye icon is provided to view or hide the password.
- **Login Button:** Authenticates the entered credentials and provides access to the user's account.
- **Register Link:** Provides an option for users who do not have an account to create a new account.
- **Illustration:** Shows a visual representation of a woman learning and working with a laptop.

Purpose: The Login Page provides registered users with access to their personalized EmpowerHer dashboard and platform services.

The **Contact Us Page** provides users with the necessary contact information to communicate with the **EmpowerHer** platform. It also includes a contact form through which users can send their queries or messages.

The page contains the following features:

- **Contact Us Section:** Displays a short message informing users that they can contact the platform anytime.
- **Address:** Shows the organization's address.
- **Phone:** Provides the contact phone number for direct communication.
- **Email:** Displays the official support email address.
- **Working Hours:** Shows the available working hours from Monday to Saturday and indicates that Sunday is closed.
- **Contact Form:** Allows users to enter their **Name, Email Address, Subject and Message**.
- **Send Message Button:** Allows users to submit their enquiry or message.
- **Illustration:** Displays a woman using a laptop, representing online communication and support.

Purpose: The Contact Us Page provides a convenient way for users to obtain contact information and communicate with the EmpowerHer support team.

The **Dashboard Page** provides users with a centralized overview of the **EmpowerHer** platform. It helps users easily access learning resources, products, government schemes, financial literacy, and other important features.

The page contains the following features:

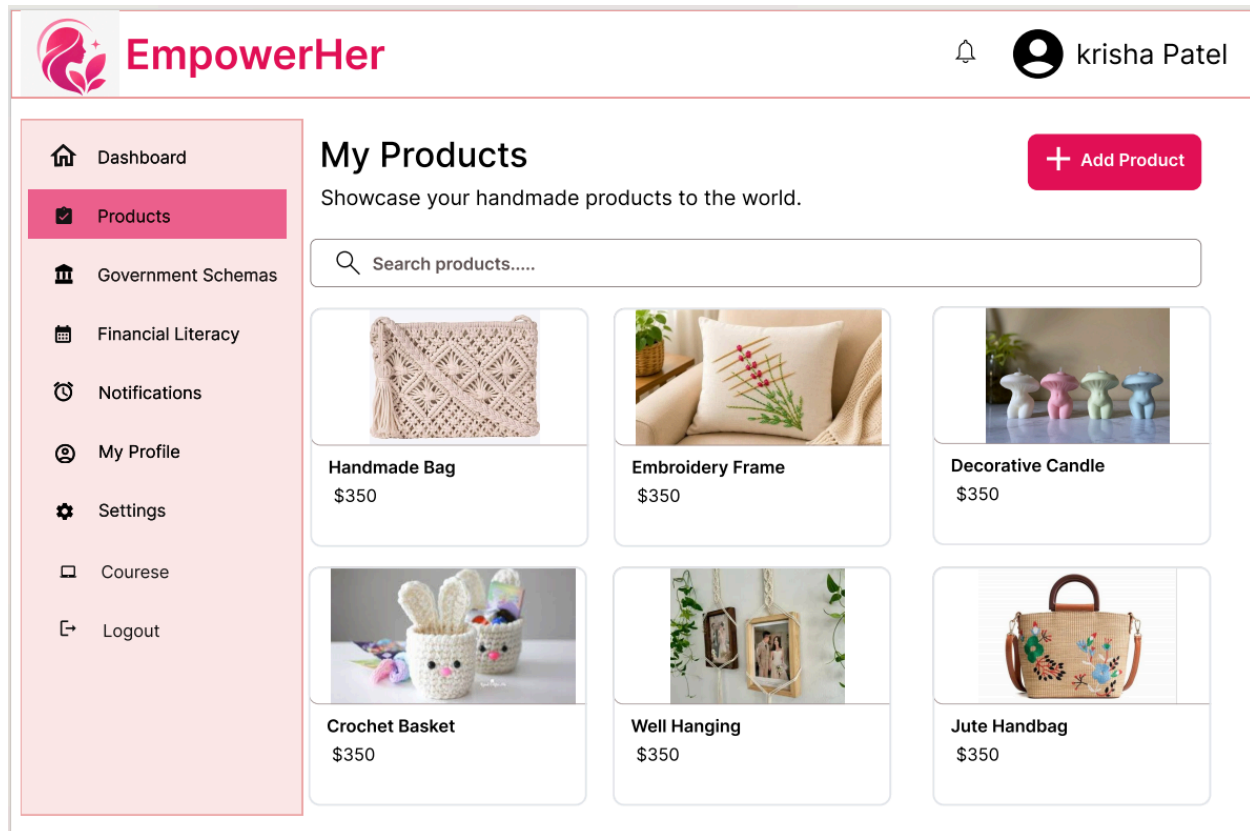

- **Header Section:** Displays the EmpowerHer logo, notification icon, and user profile name.

24SOEIT11

Web Application Development using ASP.NET (CE527)

- **Sidebar Navigation:** Provides quick access to **Dashboard, Products, Government Schemes, Financial Literacy, Notifications, My Profile, Settings, Course, and Logout.**
- **Welcome Section:** Greets the user with a personalized message and provides a “**Keep Learning**” button.
- **Learning Statistics:** Displays important information such as **Courses Enrolled, Products Listed, Schemes Available, and Courses Available.**
- **Continue Learning Section:** Shows the user's ongoing course, such as “**Embroidery Basics,**” with a **Continue** button.
- **Recent Notifications:** Displays recent updates about newly added schemes, approved products, and newly available courses.
- **Illustration:** Displays a woman learning with a laptop, representing education, skill development, and empowerment.

Purpose: The Dashboard Page provides users with a simple and organized platform to monitor their learning progress, explore opportunities, manage products, access government schemes, and stay updated with important notifications.

The **My Products Page** allows users to showcase and manage their **handmade products** on the EmpowerHer platform. It provides an organized interface for viewing products, searching for items, and adding new products.

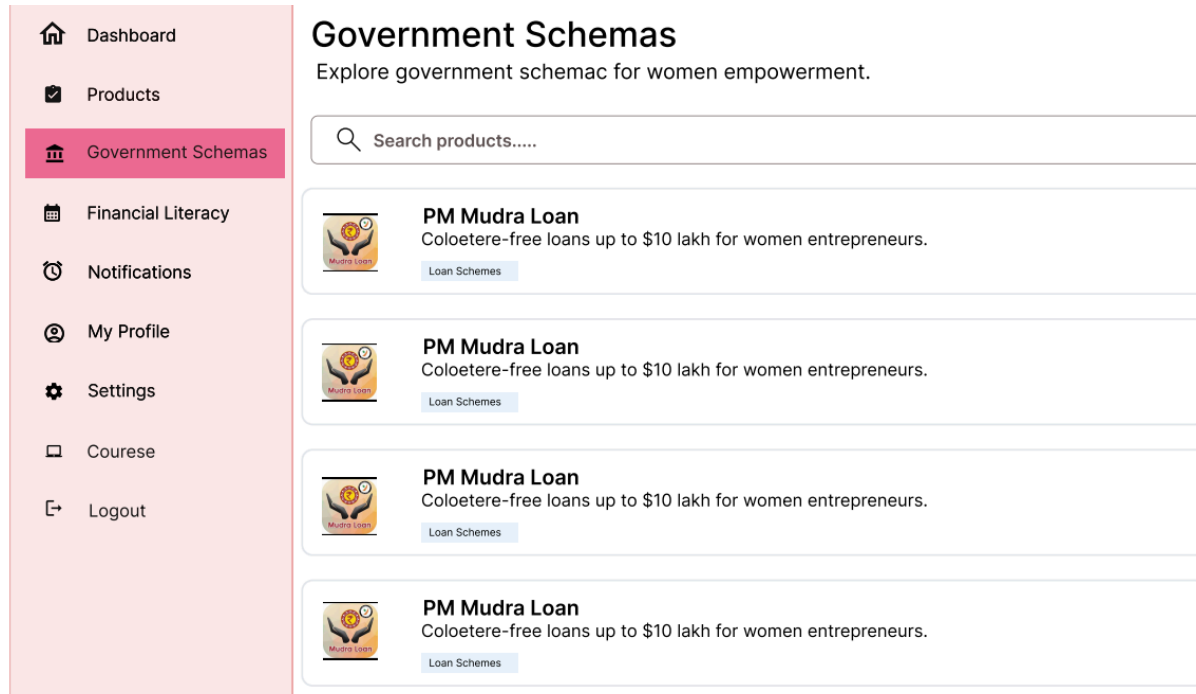

The page contains the following features:

24SOEIT11

Web Application Development using ASP.NET (CE527)

- **My Products Section:** Displays the page title and a short description encouraging users to showcase their handmade products.
- **Add Product Button:** Allows users to add a new handmade product to the platform.
- **Search Bar:** Enables users to quickly search for specific products.
- **Product Cards:** Displays handmade products along with their images, names, and prices.
- **Product Categories:** Includes products such as **Handmade Bag, Embroidery Frame, Decorative Candle, Crochet Basket, Wall Hanging, and Jute Handbag.**
- **Sidebar Navigation:** Provides access to **Dashboard, Products, Government Schemes, Financial Literacy, Notifications, My Profile, Settings, Course, and Logout.**
- **Product Display:** Presents products in a clean card-based layout, making it easy for users to browse available items.

Purpose: The My Products Page provides women with a convenient platform to display and manage their handmade products, helping them showcase their skills and make their products accessible to potential customers.

The **Edit Profile Page** allows users to **update and manage their personal information** on the EmpowerHer platform. It provides a structured form where users can edit their details and save the changes.

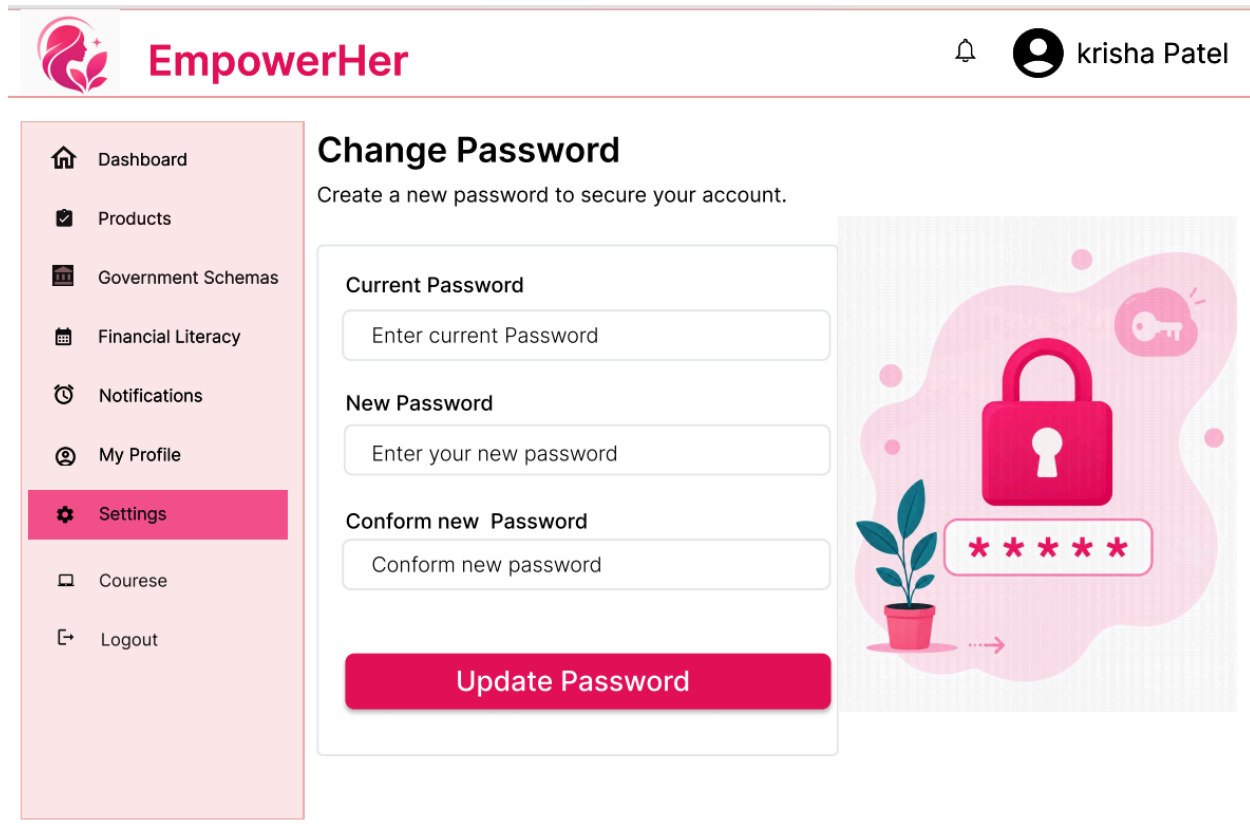

The page contains the following features:

24SOEIT11

Web Application Development using ASP.NET (CE527)

- **Edit Profile Section:** Displays the page title and a short description about updating personal information.
- **Full Name:** Allows users to enter or update their name.
- **Date of Birth:** Provides a field to enter the user's date of birth with a calendar option.
- **Email:** Allows users to update their email address.
- **Village/City:** Provides a field for entering the user's village or city.
- **Phone Number:** Allows users to update their contact number.
- **State:** Provides a field to enter the user's state.
- **Gender:** Allows users to specify their gender.
- **Pincode:** Provides a field for entering the postal code.
- **Cancel Button:** Allows users to discard their changes.
- **Save Changes Button:** Saves the updated profile information.
- **Sidebar Navigation:** Provides access to **Dashboard, Products, Government Schemes, Financial Literacy, Notifications, My Profile, Settings, Course, and Logout.**
- **User Header:** Displays the EmpowerHer logo, notification icon, and user profile name.

Purpose: The Edit Profile Page provides users with an easy and organized way to update their personal details and keep their EmpowerHer profile information accurate and up to date.

The **Change Password Page** allows users to securely **update their account password** on the EmpowerHer platform. It provides a simple form for entering the current password and creating a new password.

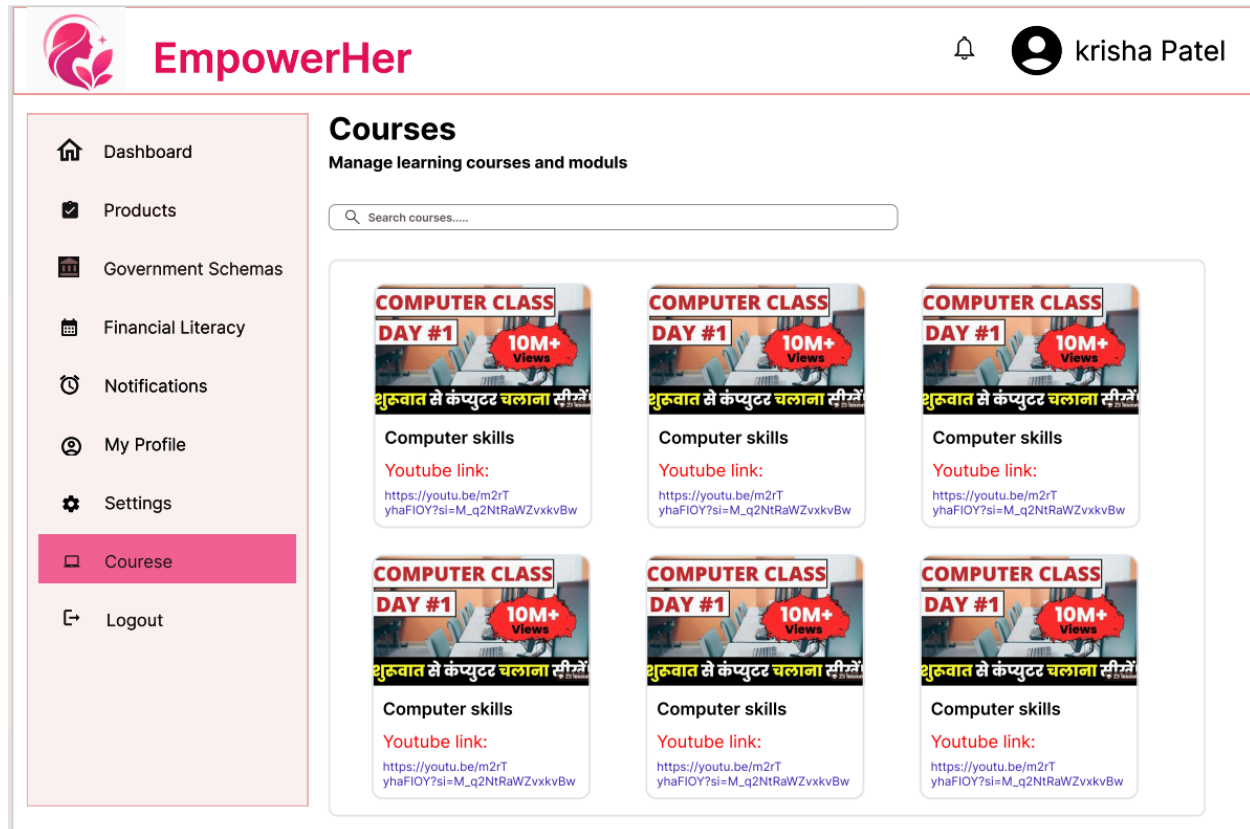

The page contains the following features:

24SOEIT11

Web Application Development using ASP.NET (CE527)

- **Change Password Section:** Displays the page title and a short description about securing the user account.
- **Current Password:** Allows users to enter their existing password.
- **New Password:** Provides a field to create a new password.
- **Confirm New Password:** Allows users to re-enter the new password for confirmation.
- **Update Password Button:** Saves the new password and updates the account security settings.
- **Security Illustration:** Displays a lock and password graphic representing account protection and security.
- **Sidebar Navigation:** Provides access to **Dashboard, Products, Government Schemes, Financial Literacy, Notifications, My Profile, Settings, Course, and Logout.**
- **User Header:** Displays the EmpowerHer logo, notification icon, and user profile name.

Purpose: The Change Password Page provides users with a secure and convenient way to update their password and protect their EmpowerHer account from unauthorized access.

The screenshot displays the 'Courses' page of the EmpowerHer platform. The page features a sidebar on the left with navigation links: Dashboard, Products, Government Schemas, Financial Literacy, Notifications, My Profile, Settings, Course (highlighted), and Logout. The main content area is titled 'Courses' with the subtitle 'Manage learning courses and modules'. It includes a search bar and a grid of six course cards. Each card is for a 'COMPUTER CLASS DAY #1' with '10M+ Views' and is titled 'Computer skills'. The cards provide a 'Youtube link' and a specific URL: https://youtu.be/m2rTyhaFIOY?si=M_q2NtRaWZvxkvBw. The cards are arranged in two rows of three.

The **Courses Page** provides users with access to different **learning courses and educational modules** available on the EmpowerHer platform. It allows users to search and explore courses designed to improve their skills and knowledge.

The page contains the following features:

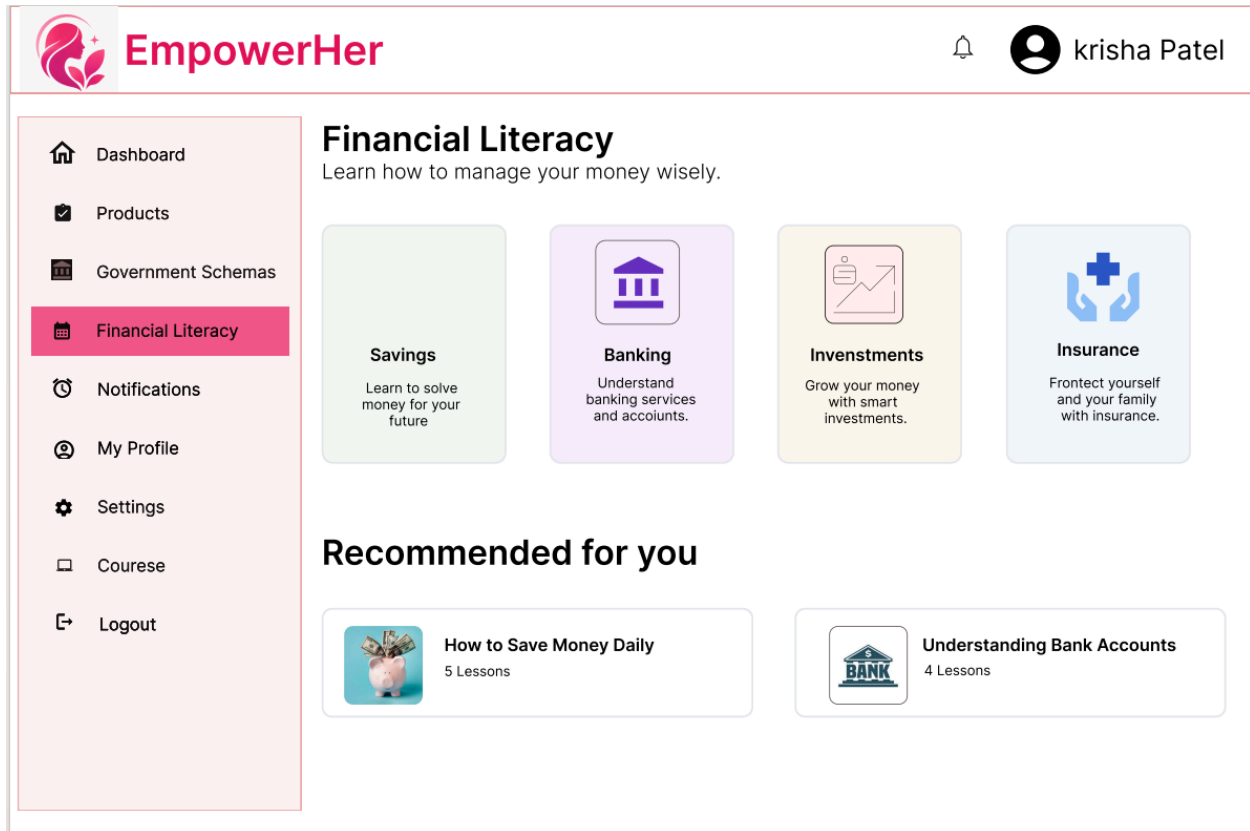

24SOEIT11

Web Application Development using ASP.NET (CE527)

- **Courses Section:** Displays the page title and a short description about managing learning courses and modules.
- **Search Bar:** Allows users to search for specific courses.
- **Course Cards:** Displays available courses with an image, course name, and learning resource.
- **Computer Skills Course:** Provides learning content related to basic computer skills.
- **YouTube Link:** Each course includes a YouTube link through which users can access the learning video.
- **Course Grid:** Presents multiple courses in an organized card-based layout for easy browsing.
- **Sidebar Navigation:** Provides access to **Dashboard, Products, Government Schemes, Financial Literacy, Notifications, My Profile, Settings, Course, and Logout.**
- **User Header:** Displays the EmpowerHer logo, notification icon, and user profile name.

Purpose: The Courses Page provides users with an easy-to-use learning platform where they can search for courses, access educational videos, and develop useful skills for personal and professional growth.

Page 17 Financial Literacy Page

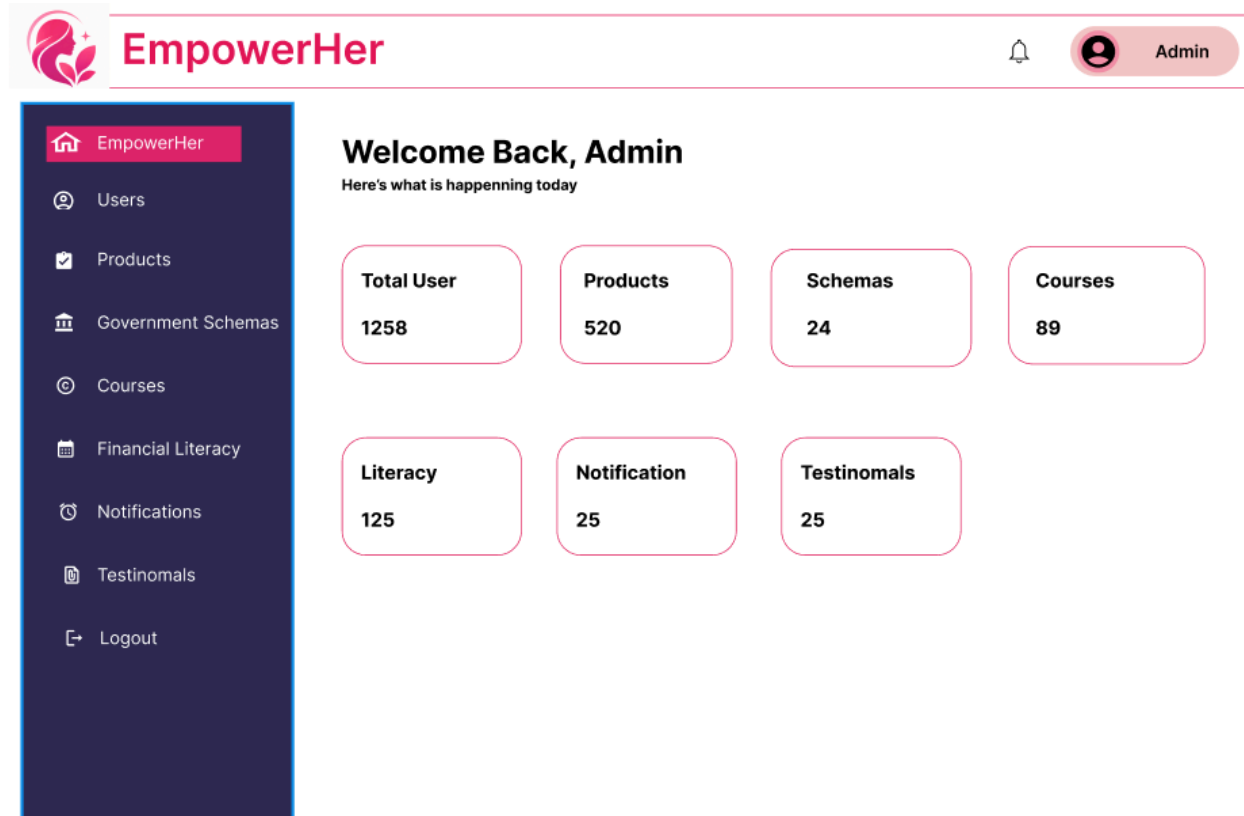

The screenshot displays the 'EmpowerHer' web application interface. At the top, the 'EmpowerHer' logo is on the left, and a user profile for 'krisha Patel' with a notification bell icon is on the right. A left-hand sidebar menu contains links to Dashboard, Products, Government Schemas, Financial Literacy (highlighted in pink), Notifications, My Profile, Settings, Course, and Logout. The main content area is titled 'Financial Literacy' with the subtitle 'Learn how to manage your money wisely.' Below this, there are four colored cards representing different financial topics: Savings (green), Banking (purple), Investments (yellow), and Insurance (blue). Each card includes an icon, a title, and a brief description. At the bottom of the main area, a 'Recommended for you' section features two lesson cards: 'How to Save Money Daily' (5 Lessons) with a piggy bank icon, and 'Understanding Bank Accounts' (4 Lessons) with a bank building icon.

The **Financial Literacy Page** helps users learn how to **manage their money wisely** and develop essential financial knowledge. It provides different financial topics and recommended learning lessons in an easy-to-understand format.

The page contains the following features:

- **Financial Literacy Section:** Displays the page title and a short description about managing money wisely.
- **Savings:** Provides information about saving money and planning for the future.
- **Banking:** Helps users understand banking services and bank accounts.
- **Investments:** Introduces users to smart investment concepts for growing their money.
- **Insurance:** Provides basic information about protecting users and their families through insurance.
- **Recommended for You:** Displays personalized learning resources based on financial topics.
- **How to Save Money Daily:** A lesson containing **5 lessons** focused on daily saving habits.
- **Understanding Bank Accounts:** A learning resource containing **4 lessons** about bank accounts.
- **User Header:** Displays the EmpowerHer logo, notification icon, and user profile name.

Page 19 – Admin Dashboard

The screenshot displays the Admin Dashboard for the EmpowerHer platform. The top navigation bar includes the EmpowerHer logo, a notification bell, and a user profile labeled 'Admin'. A dark sidebar on the left contains a list of menu items: EmpowerHer (home), Users, Products, Government Schemas, Courses, Financial Literacy, Notifications, Testimonials, and Logout. The main content area features a 'Welcome Back, Admin' message with the subtitle 'Here's what is happening today'. Below this, there are seven summary cards arranged in two rows, each showing a category and its corresponding count.

Category	Count
Total User	1258
Products	520
Schemas	24
Courses	89
Literacy	125
Notification	25
Testimonials	25

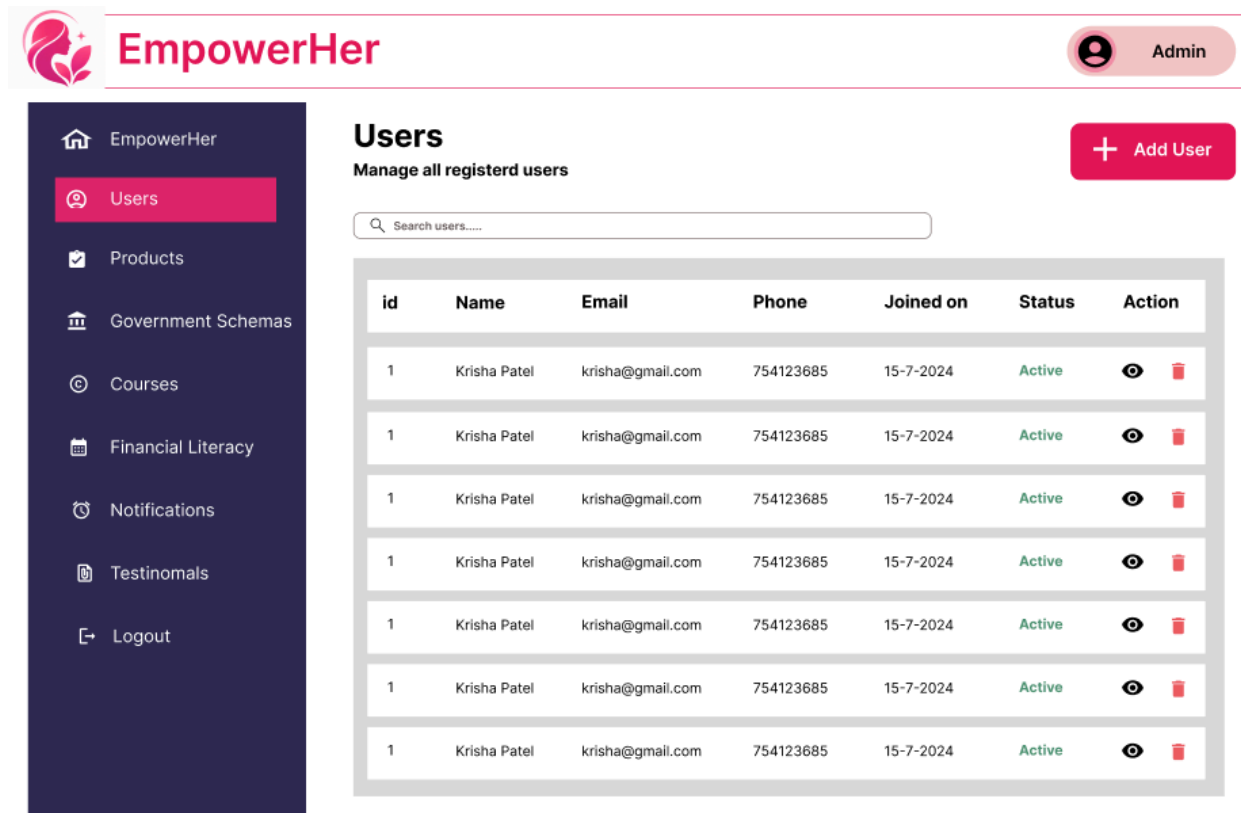

The **Admin Dashboard** is the main control panel of the **EmpowerHer** platform for the administrator. It provides an overview of the platform and allows the admin to access and manage different sections.

The page contains the following features:

- **Admin Header:** Displays the EmpowerHer logo, notification icon and Admin profile.
- **Sidebar Navigation:** Provides access to Users, Products, Government Schemes, Courses, Financial Literacy, Notifications, Testimonials and Logout.
- **Welcome Section:** Displays a welcome message for the administrator.
- **Total Users:** Shows the total number of registered users.
- **Products:** Displays the total number of products available on the platform.
- **Schemes:** Shows the number of government schemes available.
- **Courses:** Displays the total number of learning courses.
- **Literacy:** Shows the number of financial literacy resources.
- **Notifications:** Displays the number of notifications available.
- **Testimonials:** Shows the total number of testimonials.

Purpose: The Admin Dashboard provides the administrator with a quick overview of the platform's data and direct access to all major management sections.

Page 20 – Admin Users Page

The screenshot displays the 'Admin Users Page' of the EmpowerHer application. The page features a dark blue sidebar on the left with navigation links: EmpowerHer, Users (highlighted), Products, Government Schemas, Courses, Financial Literacy, Notifications, Testimonials, and Logout. The main content area is titled 'Users' with the subtitle 'Manage all registered users'. It includes a search bar labeled 'Search users.....' and a red '+ Add User' button. Below these is a table listing registered users. The table has columns for id, Name, Email, Phone, Joined on, Status, and Action. All listed users have the same details: id 1, Name Krisha Patel, Email krisha@gmail.com, Phone 754123685, and Joined on 15-7-2024. Their status is 'Active'. The Action column contains icons for viewing and deleting each user.

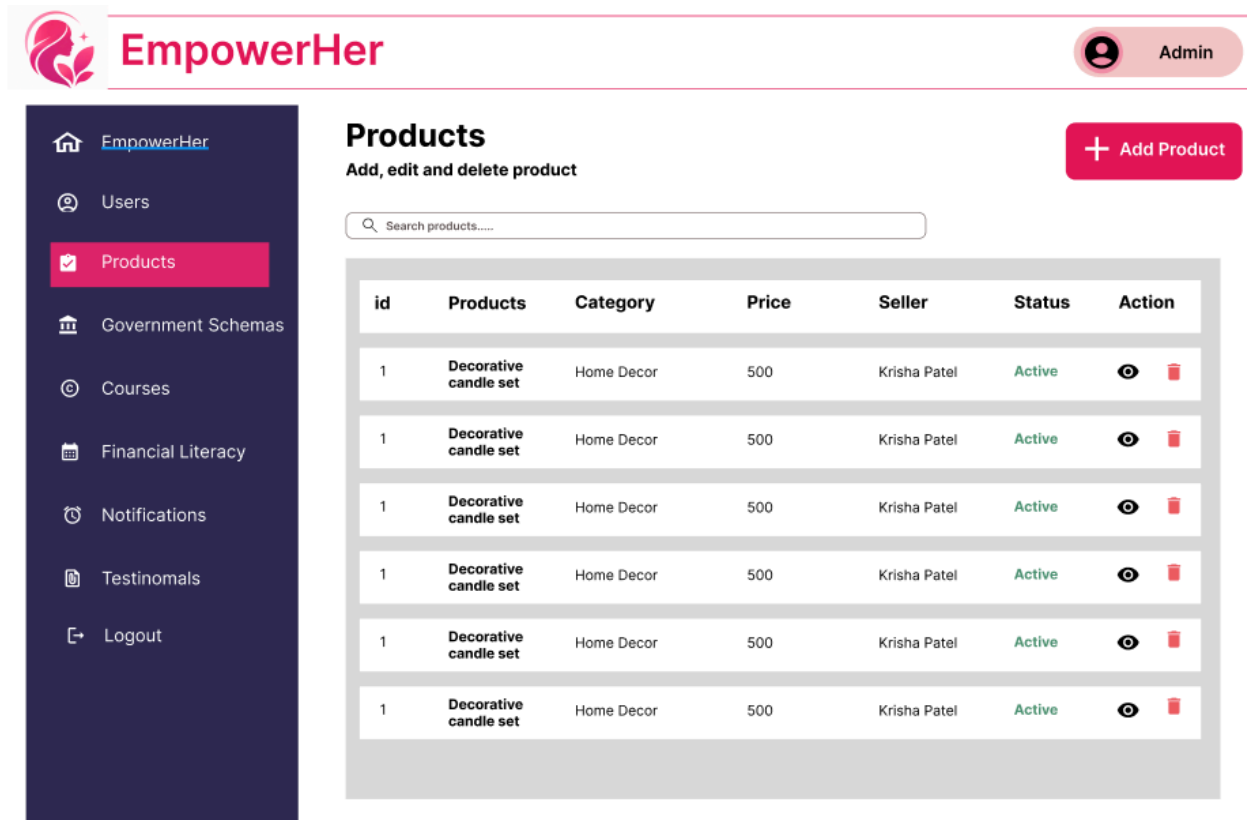

id	Name	Email	Phone	Joined on	Status	Action
1	Krisha Patel	krisha@gmail.com	754123685	15-7-2024	Active

The **Admin Users Page** allows the administrator to manage all registered users of the **EmpowerHer** platform. It provides a structured list of users along with their account information and management actions.

The page contains the following features:

- **Users Section:** Displays the page title and indicates that the admin can manage all registered users.
- **Search Bar:** Allows the administrator to search for specific users.
- **Add User Button:** Allows the administrator to add a new user to the platform.
- **Users Table:** Displays registered user information in a table format.
- **User Details:** The table contains **ID, Name, Email, Phone, Joined On and Status**.
- **Status:** Shows whether a user's account is active.
- **View Action:** The eye icon allows the administrator to view user details.
- **Delete Action:** The delete icon allows the administrator to remove a user record.
- **Sidebar Navigation:** Provides access to the Admin Dashboard, Products, Government Schemes, Courses, Financial Literacy, Notifications, Testimonials and Logout.

Page 21 – Admin Products Page

The screenshot displays the 'Admin Products Page' of the EmpowerHer application. The interface includes a dark blue sidebar with navigation links: EmpowerHer, Users, Products (highlighted), Government Schemas, Courses, Financial Literacy, Notifications, Testimonials, and Logout. The main content area features a header with the EmpowerHer logo, a user profile 'Admin', and a '+ Add Product' button. Below the header, the 'Products' section is titled 'Add, edit and delete product' and includes a search bar. A table lists the products, with columns for id, Products, Category, Price, Seller, Status, and Action. The table contains six identical entries for 'Decorative candle set'.

id	Products	Category	Price	Seller	Status	Action
1	Decorative candle set	Home Decor	500	Krishna Patel	Active

The **Admin Products Page** allows the administrator to manage the products listed on the **EmpowerHer** platform. It provides a centralized interface for viewing and maintaining product records.

The page contains the following features:

- **Products Section:** Displays the page title and options for managing products.
- **Add, Edit and Delete Product:** Allows the administrator to manage product records.
- **Search Bar:** Helps the admin search for a specific product.
- **Add Product Button:** Allows the administrator to add a new product.
- **Products Table:** Displays product information in a structured table.
- **Product Details:** The table contains **ID, Product Name, Category, Price, Seller and Status.**
- **View Action:** The eye icon allows the administrator to view product details.
- **Delete Action:** The delete icon allows the administrator to remove a product record.
- **Sidebar Navigation:** Provides access to Users, Products, Government Schemes, Courses, Financial Literacy, Notifications, Testimonials and Logout.

Purpose: The Admin Products Page provides the administrator with an interface to **view, search, add and manage products** available on the EmpowerHer platform.

Page 22 – Admin Government Schemes Page

The screenshot displays the 'EmpowerHer' web application interface. The top navigation bar includes the 'EmpowerHer' logo, a user profile icon labeled 'Admin', and a '+ Add Schema' button. A dark blue sidebar on the left contains a menu with options: EmpowerHer, Users, Products, Government Schemas (highlighted), Courses, Financial Literacy, Notifications, Testimonials, and Logout. The main content area is titled 'Government Schemas' with the subtitle 'Add, edit and delete govenment schemas'. It features a search bar labeled 'Search schemas.....' and a table listing government schemes.

id	Scehmas	Category	Status	Action

The **Admin Government Schemes Page** allows the administrator to manage government scheme records available on the **EmpowerHer** platform. It provides options to add, edit and delete schemes.

The page contains the following features:

- **Government Schemes Section:** Displays the page title and indicates that the admin can manage government schemes.
- **Add Schema Button:** Allows the administrator to add a new government scheme.
- **Search Bar:** Helps the administrator search for a particular scheme.
- **Schemes Table:** Displays the available government schemes in a structured format.
- **Scheme Details:** The table contains **ID, Scheme Name, Category and Status**.
- **Edit Action:** The pencil icon allows the administrator to edit scheme information.
- **Delete Action:** The delete icon allows the administrator to remove a scheme.
- **Status:** Displays whether the scheme is currently active.
- **Sidebar Navigation:** Provides access to the Admin Dashboard, Users, Products, Courses, Financial Literacy, Notifications, Testimonials and Logout.

Purpose: The Admin Government Schemes Page provides a centralized interface for the administrator to **view, search, add, edit and delete government scheme information** on the EmpowerHer platform.

Page 23 – Admin Courses Page

The screenshot displays the 'Admin Courses Page' of the EmpowerHer platform. The interface includes a top navigation bar with the EmpowerHer logo, a user profile icon labeled 'Admin', and a sidebar menu on the left with options: EmpowerHer, Users, Products, Government Schemas, **Courses** (highlighted), Financial Literacy, Notifications, Testimonials, and Logout. The main content area is titled 'Courses' with the subtitle 'Manage learning courses and moduls'. It features a search bar and a '+ Add Course' button. Below these is a table listing courses.

id	Courses Tile	Category	Lesson	Enrolled	Status	Action
1	Basic Computer skills	Computer training	12	245	Active

1	Basic Computer skills	Computer training	12	245	Active	 

The **Admin Courses Page** allows the administrator to manage the learning courses and modules available on the **EmpowerHer** platform.

The page contains the following features:

- **Courses Section:** Displays the list of available learning courses and provides options for managing them.
- **Add Course Button:** Allows the administrator to add a new course.
- **Search Bar:** Helps the administrator search for a particular course.
- **Courses Table:** Displays course information in a structured table.
- **Course Details:** The table contains **ID, Course Title, Category, Lessons, Enrolled Users and Status.**
- **Edit Action:** The pencil icon allows the administrator to edit course information.
- **Delete Action:** The delete icon allows the administrator to remove a course.
- **Status:** Shows whether a course is currently active.
- **Sidebar Navigation:** Provides access to Users, Products, Government Schemes, Courses, Financial Literacy, Notifications, Testimonials and Logout.

Purpose: The Admin Courses Page provides a centralized interface for the administrator to **view, search, add, edit and delete learning courses** available on the EmpowerHer platform.

Page 24 – Admin Financial Literacy Page

The screenshot displays the 'EmpowerHer' admin interface. At the top, the 'EmpowerHer' logo is on the left, and a user profile labeled 'Admin' is on the right. A dark blue sidebar on the left contains navigation links: EmpowerHer, Users, Products, Government Schemas, Courses, Financial Literacy (highlighted in pink), Notifications, Testimonials, and Logout. The main content area is titled 'Financial Literacy Topic' with the subtitle 'Add, edit and delete government schemas'. A pink '+ Add Topic' button is in the top right. Below the title is a search bar labeled 'Search schemas.....'. A table lists financial literacy topics with columns for id, Topic title, Category, Status, and Action. The table contains seven rows, all with 'Savings and Budegting' as the topic title and 'Savings' as the category. Each row has an 'Active' status and an 'Action' column with edit and delete icons.

id	Topic title	Category	Status	Action
1	Savings and Budegting	Savings	Active	 
1	Savings and Budegting	Savings	Active	 
1	Savings and Budegting	Savings	Active	 
1	Savings and Budegting	Savings	Active
